

# CRESTON VALLEY PUBLIC LIBRARY

September 4, 2020

## **Library Hours & Service Expansion**

Beginning Tuesday, September 8<sup>th</sup>, Creston Valley Public Library will be expanding their service hours. The schedule will be as follows:

Tuesdays - Saturdays      11am - 6pm

In addition to browsing and borrowing, 5 public computer stations are also available for 45 minute sessions.

As of August 18<sup>th</sup>, the provincial inter-library loan service is also available. Library borrowers can place holds on items via the library's online catalogue at [www.crestonlibrary.com](http://www.crestonlibrary.com), by email at [info@crestonlibrary.com](mailto:info@crestonlibrary.com), or by phone at 250-428-4141.

Public washrooms will be open to the public and cleaned twice each day to maintain safety. Masks are encouraged while visiting the library and hand sanitizer will continue to be provided at the front door.

Meeting rooms, iPads and seating continue to be unavailable at this time as we still encourage visitors to keep their visits in the library short.

The library values the safety of our community members and staff and we thank you for your patience during this trying time.

Sincerely, all of us at Creston Valley Public Library.
